What is the philosophy of Marceau's school?

how do you characterize the present-day student who wishes to enter a school?

**MARCEL MARCEAU**

It seems that critics have seen the Gogol's "overcoat" done in Tokyo and they were very much surprised that Marcel Marceau's students do not imitate their teacher.

They had understood about how they should perform through the theory of MIME.

The soul, which pierces through mt instruction , is that if you want to become a player, something more than motion of the body will be required there.
